# HOW TO SURVIVE BACHELORS: FOR PROCRASTINATING DUMMIES

Shakthivelu Janardhanan

# Preface

I thank the current Tech club team for giving me this opportunity to interact with you all and share my insight on how to handle college. Let's hope you don't regret inviting me.

# Off-Topic Not-so-Gentle Reminders

Eat and spend quality time with your friends and family

Have a healthy sleep cycle. Try to get sufficient sleep.

Exercise and have fun. You don't have to be a body-builder to feel good about yourself

# The General timeline

# Classic Excuses that you need to stop using

- Don't like the staff, so I won't study. So i score low marks. So i don't like the subject.
- I was involved in "extracurricular activities"
- Teachers are not helping
- I don't know where to start
- Nobody else works in my domain. So i don't know whom to work with
- I will do this next sem

---

# Tech Club : The Platform

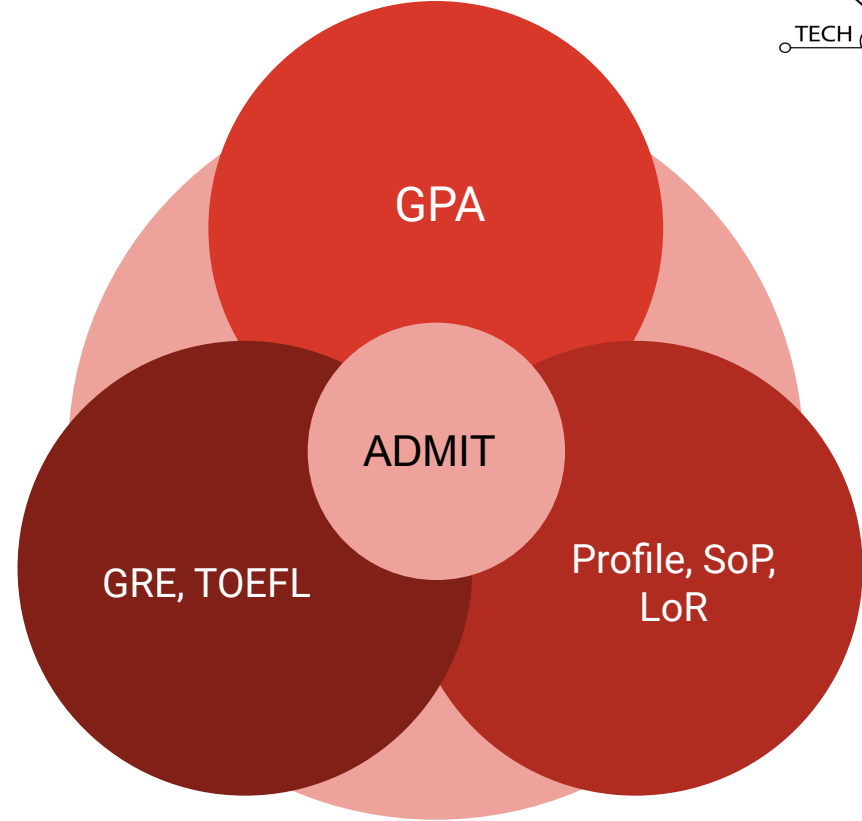

- It is your seniors. They have been through almost everything you are feeling at the moment. Wise men learn from other people's mistakes. So, be wise.
- Infinite help
- Non judgemental
- Genuinely wanting you to improve
- Exposure to ideas inside and outside the campus
- They buy you food and tell you important questions before exams.
- It is gonna be a lot of fun and you get to show off to your juniors

# Major Misconceptions

GPA and publications irntha  
thaan admit tharuvaangalam pae

Nee paathe ?

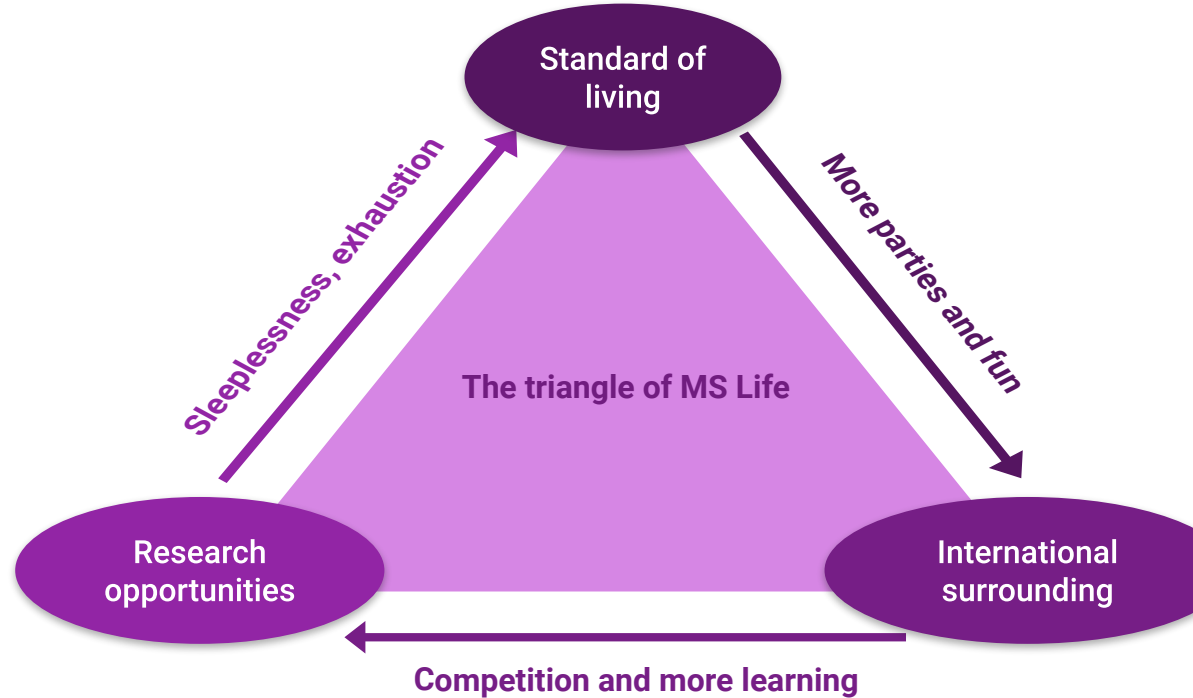

# MS Life

Bachelors aprom life easy ah  
irkum nu solvaanga.

Nambaathe

# My research Interest

Dynamics of the flexible functional split selection in 5G networks

Research Challenges in Softwarized Networks

# Questions
